Your Honor,

We would like to request the portions of Dominic Cicale's testimony that reference:

- The meeting he had with Vincent Basciarzo in a restaurant before VB was arrested. (Discussions included what actions to take once Basciarzo was arrested).
- Conversations Dominic had with Michael Mancuso after Vincent Basciarzo was arrested.
- Dominic's responses ^{to questions} during cross examination when asked 'who gave the order to kill Randy Pizzalo'?

Thank you
